

Remodels

Gila Mesa Builders is an expert at custom remodeling and major renovations for your home. From kitchens to living rooms, bathrooms to outdoor living spaces and anywhere in between, we will work with you each step of the way. We specialize in making your dreams come true. If you have special needs, such as ADA, we will work with you to meet those needs.

Our process is quite easy, this is how it works:

Bid Process

You tell us what you want to do, or let our experts provide you with advice based on your input and budget.

Design

Once a basic design is established, we provide a no-cost preliminary estimate for the project. If we are in your budget expectations, we will proceed with drawings or architectural drafting, depending on the scope of work and permit requirements.

Contract

We will draw up a contract for both parties to sign which outlines the scope of work, payment schedules, and time requirements.

Material

You get to pick out your cabinets, fixtures, tile, carpet, etc. based on the allowances established in the design process. Materials can be purchased anywhere, including the Internet. Any builder discounts we receive will be passed on to you, our customer.

Work Begins

We provide constant supervision once work begins. Our team will be courteous and respectful while in your home and we will make every effort to meet our time schedules.

Completion of Work

Your dreams are now a reality! Enjoy your new surroundings and rest assured our workmanship and materials are guaranteed for one year. You can rely on Gila Mesa Builders to be there from start to finish!
